

**March Workshop**  
**Memory Quilts with Mary K. Beard**  
**Tuesday, March 27, 2012**  
**1:00 – 4:00 PM**

Mary K. Beard of Austin will present a half day workshop on creating a Memory Quilt. In this workshop you will learn techniques to use all the small pieces of lace, trim, hankies, dollies, broken jewelry, old buttons, gloves, linens and all the fun stuff you have been saving to create your own MEMORY QUILT. This is a hands on class. NO SEWING MACHINE IS REQUIRED.

Since Mary likes to work one on one with her students and this is only a three hour class there is a maximum of 16 participants for this class.

Mary will be presenting a program at our morning meeting showing her collection of memory and crazy quilts.

The cost of this class is \$30.00. Once you've paid the class fee you will be sent a copy of the supply list. There will be a sign up sheet at the January meeting but if you would like to sign up before the meeting you can mail your payment for the class. Please fill out the form below and mail.
